Why join the Just Lift's dealer network?

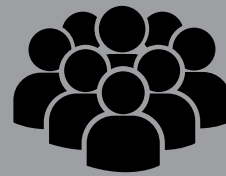

JUST LIFT

INCREASE YOUR BUSINESS

Just Lift gives you **the opportunity** to offer to your customers lifting solutions, in synergy with your range of products

JOIN THE NETWORK

It means to be part of a company philosophy that stands out from all the others.

"To Share" is the key word to improve ourselves every day.

GET THE BEST RESULTS

Join the family and find out how Just Lift rewards your best results!

"Work smarter, not harder"

This is the vision that we apply every day.

FASTER WORK

Just Lift vehicles **make faster movement** of trolleys and people inside the company.

PREVENT INJURIES

According to the regulations in force that impose a **maximum manual handling of 25 Kg.**

EASY TO USE

Drivable in **narrow spaces** where a traditional forklift cannot operate, without any requested qualification (**no license**).

Interesting points

INCREASE THE WELLNESS

The goal of our products is to make easier and effortless the operator life, **improving the wellness in the company.**

INCREASE THE SECURITY

Make your workplace safer, avoiding all risks of professional diseases caused by excessive operator's efforts.

INCREASE PRODUCTIVITY

Make your internal logistic faster and dynamic, by integrating the **LEAN System** with Just Lift cranes.

JUST LIFT

The Just Lift product range constantly develops day by day
